

30 Hampden Road PENNANT HILLS NSW

4  1  2 

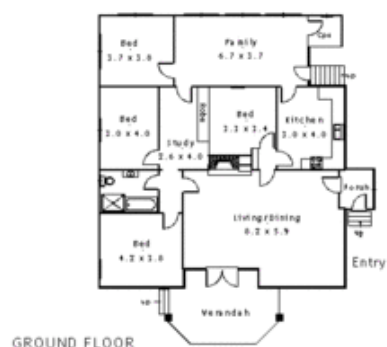

Architect designed to give maximum impact and an enduring contemporary feel, this double brick Californian bungalow style home on 1994sqm approx of land (council approved for subdivision and extensions) was built on a sandstone base in 1928, and has been thoroughly enjoyed by the current family since 1959. At the main entry point to the house, the expansive north facing combined lounge and dining room opens onto a large inviting bay-shaped verandah. In a street lined with beautiful mature trees, including plentiful jacaranda, and surrounded by large established quality homes and gardens, the house comprises 4 bedrooms, a study (with large built-in), tandem lock-up garage and it has high patterned ceilings. The fourth bedroom and family room are flooded with soft light and enjoy a premium vista over the back garden with its
