4  2  2 

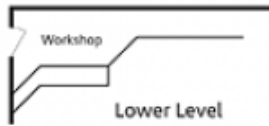

The Outlook is in a prestige estate of beautiful homes in an exclusive cul-de-sac. It is power-line free and has national parks all around and sits in stillness and absolute quiet. Built in 1999 on a 685sqm approx site, this is a pristine contemporary open-plan 4 bedroom, 2 bathroom, double carport architect designed home. Purposely crafted to harmonise with the natural topography of a site, it accommodates fabulous steeply pitched rooflines. The design of the whole is a three dimensional living artwork that directly affects your mood, bringing it into phenomenally tranquil, peaceful states with notions of permanency, the futuristic, and of heartfelt cosiness.

Interplays of light, spaces and shapes, creamy colour schemes with accents of aubergine and Oregon and rich
