The best kind of happiness can be found in this home, which is easy to keep clean, has an inviting airy feel, plenty of space and a safe level yard for the littlies. Freshly painted and re-carpeted, this lovely peaceful home is at the end of a welcoming grove of beautiful elm trees. The townhouse has an open spaciousness about it. It has a carport beside the front lawn, and the SLUG has been incorporated into the house to make a family room with raked ceilings and large skylight, and which is open plan to the lounge room. A modern timber staircase leads to 3 bedrooms all with built-ins. The master bedroom faces north and is very private. Listen the birds as you relax on the balcony accessed by the other two bedrooms.

An indoor/outdoor lifestyle is readily accommodated here.
