An ambience of stability and good sense pervade this well maintained family friendly two storey brick townhouse. It's a place to establish yourself for a long while. Plenty of light fills the home, with its cathedral ceilings and expansive wall to ceiling picture windows embracing a spacious combined lounge and dining room. The dining area opens out to a sunny patio and a level, easy care northfacing back garden. The floorplan offers an ideal layout with the DLUG providing internal access via the large laundry, powder room, pantry and into the northfacing galley kitchen. The kitchen has a stainless steel Omega double oven (only 6mths new) and overlooks the fenced and rear garden, which has more than ample room for kids to play safely. Spacious and queen sized, the master bedroom has a roomy refurbished ensuite and very good walk-in-robe.
