Witness views to treetops and wide open sky from this prime top floor position of a low rise building. Relax on the balcony or in the lounge room of this north-facing two bedroom apartment. Be soothed by sunlight streaming into the spacious queen sized north-facing master bedroom (with built-ins and deep magenta feature wall). Green vistas from windows on two sides makes the second bedroom inviting. Over the last few years renovations have included a new laundry and Castlewood kitchen (with Asko dishwasher, high density laminate, kickboard drawers), new carpet (100% wool with extra thick underlay), bathroom improvements, new paintwork (in Opal White) and built-ins in the second bedroom. Built in double brick this light, bright and sunny home is warm in winter, cool in summer. There's only one common wall and the floorplan
