Views are breathtaking from this family home that backs onto a lush turpentine forest and the start of the Lane Cove River. This is a really nice home to live in as is, plus there is plenty of scope to put your own touches into this solid structure. The kitchen (with Ceran cooktop and Miele dishwasher) enjoys the view and opens to the dining room, then the lounge room with these both opening onto a large and delightful undercover verandah all facing north east to the view. Comprising 4 bedrooms (two queens and two singles) in the main house, fifth bedroom or home office/home gym is separate and includes a laundry with shower and separate wc. All have built-ins except the master bedroom, which has a WIR with exhaust fan and a 2yr old ensuite. The main bathroom has a deep enamel bath, tiled shower and new vanity. Stay cosy in winter beside the Kent
