Fabulous family home built to entertain has been proudly owner occupied since it was built in 1992.

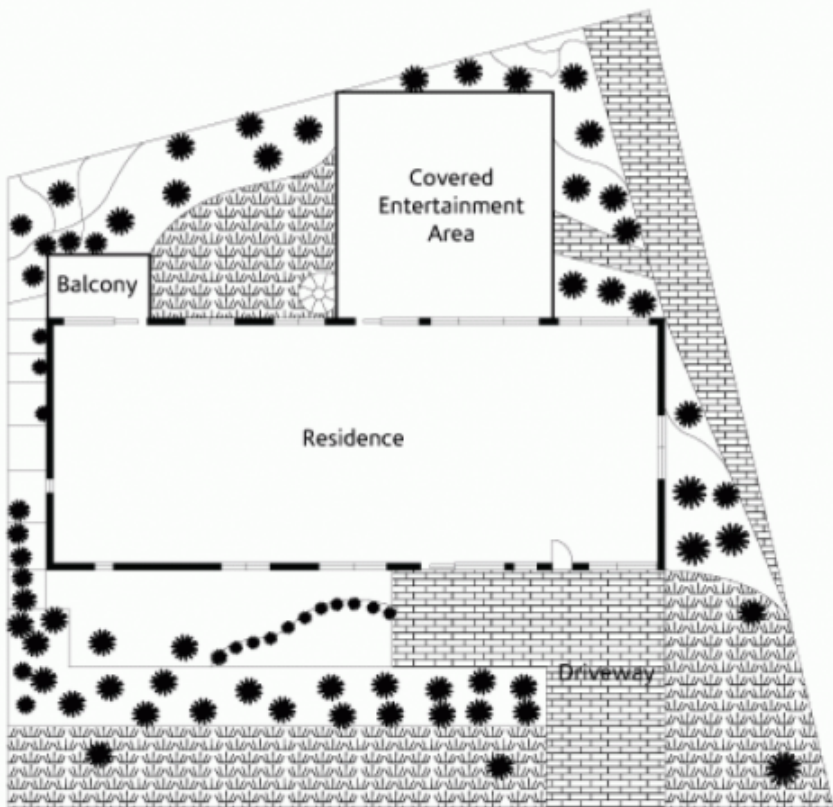

A wide street frontage adorned with natives and pomegranate screen establishes a private haven within a desirable cul de sac. Well presented interiors feature tallowwood mosaic parquetry, beginning in the home office complete with study nook.

Left into light-filled open plan living with virtually wall to wall glass showcasing majestic uninterrupted views across Berowra Valley - governed spectacularly by Mother Nature's mood. A vast Expamet steel deck bordered by glass balustrade seamlessly blends with the bush backdrop.
