Never been lived in Torrens Title home, attached on one side, is a statement in contemporary eco style and space over two spectacular sunlit levels, backing onto tranquil green Asquith golf course grounds and just footsteps to everything that matters.

Clever design is Greensmart compliant and establishes a naturally bright and breezy feel across interiors. Strategically placed louvres and bi-folds harness airy cross flows and assure the ultimate indoor/outdoor lifestyle. Lofty ceilings over bamboo floors introduce expansive open plan living and dining which open right up through dual glass sliders to the alfresco entertainer's courtyard. Dine outside, or beneath the soaring sky lit atrium ceiling.
