This meticulously presented family home is a truly peaceful haven on just over 750sqm. It sits majestically in an elevated north facing position, directly opposite uninterrupted bushland, and is complete with a stunning pool oasis.

A strong tropical flavour pervades the beautifully landscaped grounds which border the home, and never to be built out views to the front provide spectacular natural views and a serenely quiet ambience.

High ceilings teamed with brush box floors, timber joinery, exposed brick and an earthy palette provide an instant sense of warmth inside. The open plan air-conditioned living and dining area seamlessly flows to sweeping decks
