

5 Paroo Place HORNSBY HEIGHTS NSW

4 2 2

A loving transformation has reinvented this original full brick construction as a uniquely stylish four level cul de sac home. It nestles serenely on almost 750sqm, face to face with bushland, as a completely private haven.

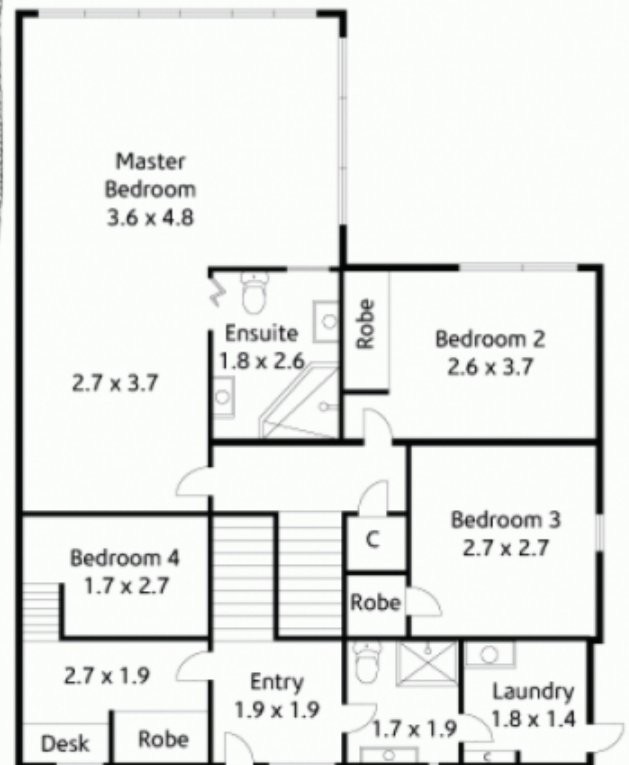

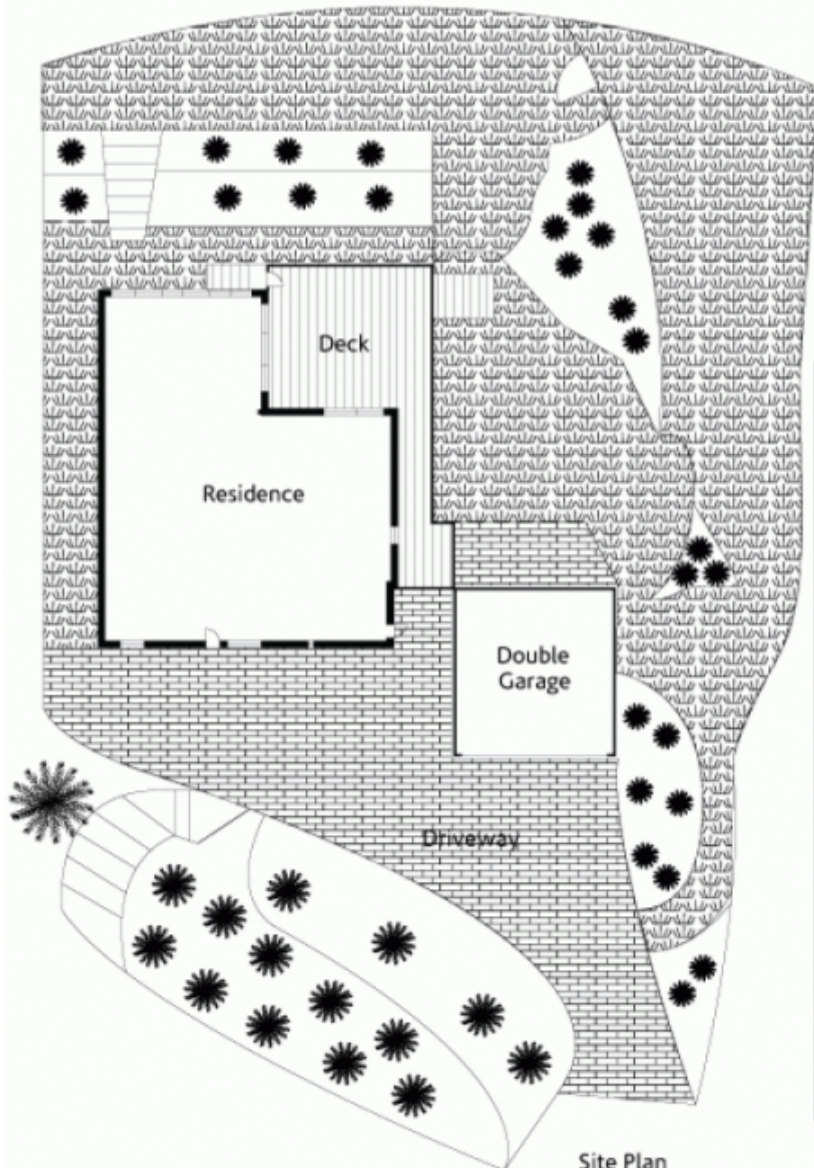

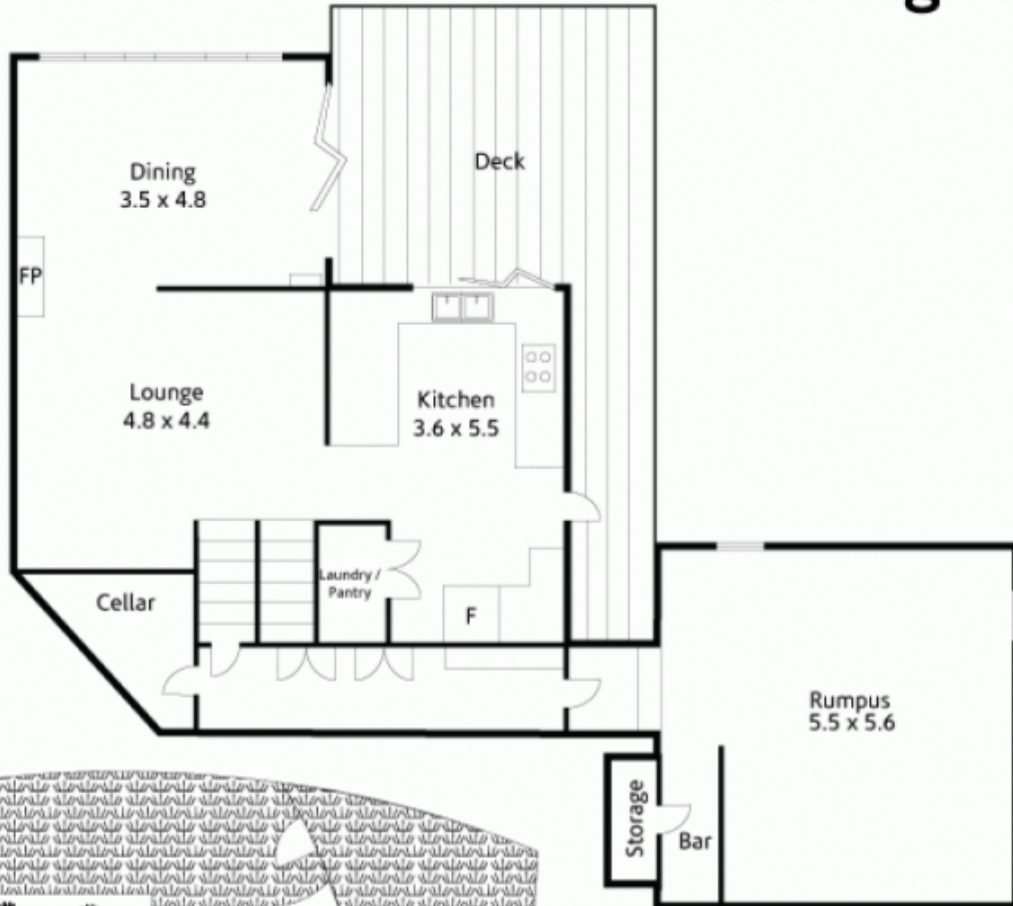

Meticulous attention to detail appears throughout, where vaulted ceilings, timber floors and cedar joinery complement a soft neutral palette. The untouched natural panorama is captured beautifully from every level through abundant glass, flooding the interior with sunlight.

The sky lit entrance atrium introduces the vibrant interior and designer hardwood staircase ascending to slumber or descending to living. Three bedrooms positioned on the top level include the substantial master complete with mosaic
