

37 Amaroo Avenue MOUNT COLAH NSW

4 2 2

A beautiful revamp has reinvented this four bedroom family home with a vibrant, near new ambience. The private near 740sqm parcel nestles peacefully next to a leafy street setting as a desirable Mount Colah address with excellent proximity to transport and amenities.

An expansive lawn garden and Colonial style facade introduce the residence. Inside, high ceilings fitted with new halogen down lights illuminate a freshly painted neutral palette. The spacious open plan interior begins in the large living and formal dining area - wrapped with new plantation shutters, and continues to the large rumpus space, providing plenty of space for the family to sprawl.

Home cooks will delight in the generously sized timber
